SEPTEMBER-DECEMBER 2022

Basileus' Corner

Welcome to a New Sororal Year. A special welcome to our new Sorors, Kathy Mangum-Parker, Tracy Pierce, and Sherry Murphy.

The COVID-19 pandemic did affect our lives, programs, organizations, and educational systems worldwide, leading to a new norm for everyone and the way we do the business of the sorority. But our sorority thrived amid the turmoil. And that's because of you and your commitment to education and our students. You rolled up your sleeves, became proficient in technology, adjusted to flexible schedules, and leaned on each other for sisterly support.

Let's accept the challenge that is laid before us, knowing that we must overcome many obstacles that come to our doorsteps, many of which we may not have any influence upon. The reward that is found in serving the children of our community may not come in the riches of the world, but we can rest assured that our reward is the impact that we have upon their future.
