President's Message

Sorors,
As we navigate into a new sororal year, let's reinforce sisterhood! We are an amazing organization that has much to offer to our surrounding communities.
Thank you, in advance to those sorors who consistently step up in making Alpha Chi who we are today. May we grow stronger as we bond with each other, and may we always bring honor to our beloved Founders.
Marjorie McDaniel, Basileus

Highlights of Y.E.S. Program's Past Events for 2025-2026 Sororal Year

ALPHA CHI

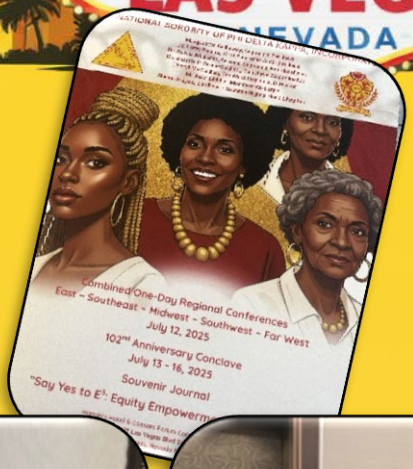

JULY 12-16, 2025

From July 12 to July 16, members of the Alpha Chi chapter attended the 102nd Anniversary Conclave and One-Day Regional Conference in Las Vegas, NV. The theme was “Say Yes to E3—Equity, Empowerment, and Excellence."

On July 12, 2025, they participated in the 85th Annual Eastern Regional One-Day Conference focused on "Changing the World by Motivating the Next Generation of Critical Thinkers."

The conference offered valuable networking opportunities and self-care activities, which strengthened our sorority.

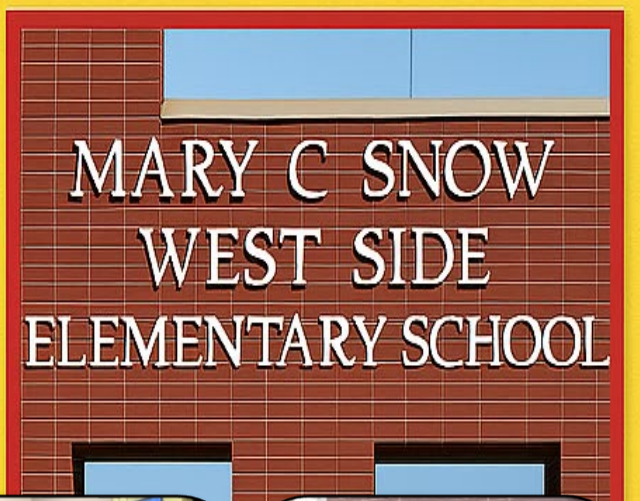

Cluster 4-5 Meeting

SATURDAY, SEPTEMBER 13, 2025

On Saturday, September 13, 2025, the Alpha Chi Sorors attended the Clusters 4 and 5 meeting, hosted by the Epsilon Chapter. The meeting's theme was "Healthy Mind, Healthy Body, Healthy Spirit," reflecting our commitment to holistic well-being. It was a wonderful opportunity to connect and share in meaningful activities, all while gaining valuable insights from our dedicated Eastern Region officers, led by the Eastern Regional Director, Anona Huntley. Together, we uplifted each other, fostering a supportive environment for everyone involved.

ALPHA CHI

CELEBRATING SISTERHOOD

October 18, 2025, Sorors gathered for lunch celebrating the strength and joy of sisterhood.

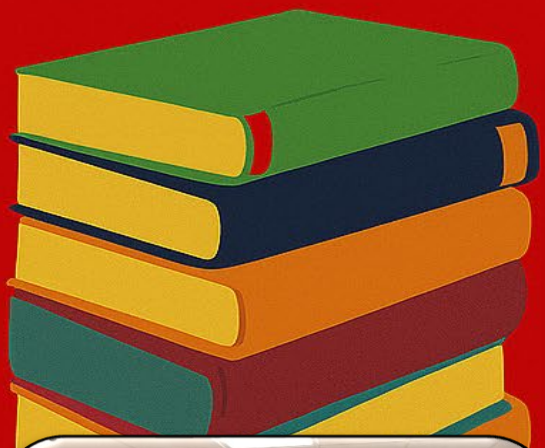

GIFT OF BOOKS

Students in Mrs. Fonda Malone-Dickerson's second-grade class at Victory Elementary School in Portsmouth, VA, were excited to receive a generous book donation from retired librarian Suzanne Gibbs, a member of the National Sorority of Phi Delta Kappa, Incorporated, XI chapter in Chester, PA. This effort is part of the sorority's Literacy Program. Many thanks to Soror Gibbs and Soror Queen Malone of the Alpha Chi chapter for coordinating this fantastic event for the children.

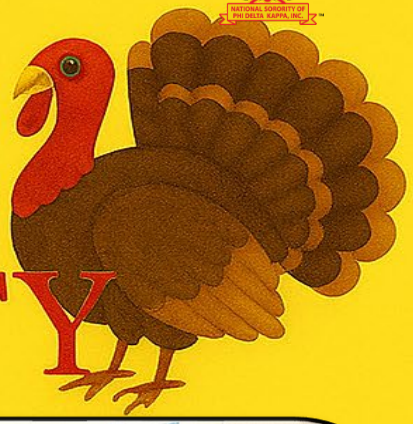

SERVING THE COMMUNITY

Members of the Alpha Chi Chapter assembled and delivered two Thanksgiving baskets to families in the Lakeview community. The Sorors of Alpha Chi Chapter generously donated the items for these baskets. Sorors Marjorie McDaniel, the Basileus; Deryl Winborne; Queen Malone; Carolyn Stiff; and Principal Kathy Mangum-Parker, who is also a member of the chapter, were present to help prepare the baskets.

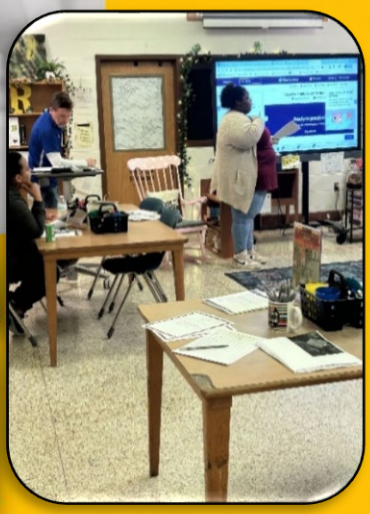

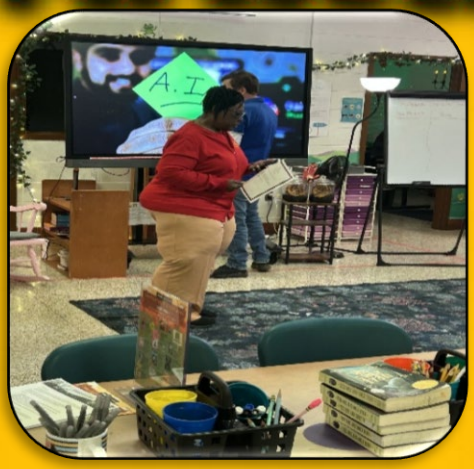

TEACH-A-RAMA!

On Thursday, November 20th, the Alpha Chi chapter and Lakeview Elementary staff hosted a Teach-A-Rama program for parents and the community. Technology resource teachers Brian McKee. and Ashley Vann shared insights on using AI to enhance student achievement. They introduced various resources to support parents in their children's learning at school and at home. The event featured support from Sorors Ruth Coleman, Queen Malone, Benita Johnson, Deryl Winborne, Carolyn Stiff, and Tracy Pierce, as well as principal Kathy Mangam-Parker, also a member of the Alpha Chi chapter.

SERVING THE COMMUNITY ON CHRISTMAS

Members of the Alpha Chi Chapter enthusiastically took on the roles of Santa's elves for the Angel Tree Project, working to fulfill the wishes associated with the Angel Tree tags. Through their dedication, they filled twenty-three bags with joy and hope for children this Christmas.

SISTERHOOD FUN AT UNION TRAIN STATION

Members of the Alpha Chi chapter had a wonderful day filled with sisterhood and fun at Union Train Station in Washington, D.C. The group enjoyed dining together and connecting as part of their sisterhood initiative. The highlight of the day was the scenic train ride to the station and back, during which time everyone shared stories and memories. A big Thank-you to Sorors Pamela Shearin and Ruth Coleman for coordinating this special event.
